Prior to the start of construction, the developer or applicant must submit (3) three copies of the following to the BHC Coordinator/City Administrator.
- **Please use this checklist to address requirements:**

- _____ Water and sewer extension plans
- _____ Drainage Plans
- _____ Notice of Intent (NOI) from Ky Division of Water
- _____ Erosion/Silt Control Plans
- _____ Road and /or Ingress/Egress Plans
- _____ All other Utility Plans (Gas, Electric, Telephone, Cable, and Street Lighting)
- _____ Preliminary Plat indicating all Easements for Development
- _____ Approval of Location of Fire Hydrants by the Mt. Washington Fire Chief
- _____ Sidewalk Plans
- _____ Streetlights
- _____ Post Construction Agreement

Please contact Bullitt County Planning and Zoning for required submittals.

Once the complete set of plans are received the BHC Coordinator/City Administrator will submit the plans to the Public Works Director, Building Official and City Engineer for review.
